to me, Tim, tom.schank@schanklegal.com

Mr. Behnken,

Based on our discussions and the submitted photos, your project is in compliance with your permit conditions. Your permit does expire on 10 July 2024, so any additional work that you may need to do would have to be completed by that date. If additional work is needed please be sure to abide by the conditions in your permit. No additional information is required.
