IN THE COMMON PLEAS COURT OF OTTAWA COUNTY, OHIO

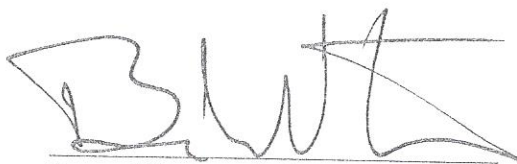

In the Matter of:)	Case No. 12084
Sand Beach Conservancy District)	Judge Bruce Winters
)	
)	

This cause comes before this Court upon Application of the Sand Beach Conservancy District approving the levy of its 36th annual maintenance assessment in the amount of \$45,000. A hearing was held on June 7, 2010 and evidence/arguments were heard. Another issue raised at the hearing was whether the Auditor was properly allocating the assessments to each property owner.

Upon due consideration and for good cause shown, the Court finds that the Application approving the 36th annual maintenance assessment in the amount of \$45,000 for the Sand Beach Conservancy District is proper and approves the same. While the manner in which the Auditor assesses the maintenance fee to each property may not be proper, the Auditor is not a party to this action, the issue is not currently before the Court and the matter would be the subject of a properly filed mandamus action.

It is therefore ORDERED, ADJUDGED and DECREED that the Application of the Sand Beach Conservancy District to levy its 36th annual maintenance assessment in the amount of \$45,000 is GRANTED.

Clerk of Courts shall send copies of this Order to all parties of record or their counsel by regular U.S. Mail.
